## MONTGOMERY

TOWNSHIP, NEW JERSEY

MONTGOMERY TOWNSHIP NEWSLETTER • FALL 2022

### 2022: RETURNING TO A NEW NORMAL

So much has happened this past year. We opened our new municipal center that offers residents additional amenities in a state-of-the-art facility and features a branch of the Somerset County Library System; we moved (a huge undertaking); and we hired our new Township Administrator.

After a two-year hiatus, we brought back some oldies and goodies with a bang. Camps and recreation programs came back in full swing. The fireworks returned this year with the highest level of turnout ever. Families and friends enjoyed great music, tasty food and an amazing fireworks display. Trunk-or-Treat was the biggest ever with over 50 decorated cars, fire trucks and an EMS ambulance sporting its own dragon to the delight of hundreds of kids who filled their Halloween baskets to the brim.

In October, our police department moved into its new home and held a Coffee with a Cop in the new space, greeting the public and sharing safety information.

Our Economic Development Commission hosted a very successful Restaurant Week and a

Return to Art with 27 local artists exhibiting their work - both held for a second year in a row. We hope these events encourage everyone to support our local businesses and artisans.

As we look to the future, we invite you to attend a township meeting and find out more about how things are moving forward. If you are watching from home, you can now turn on closed captioning.

We wish you a very happy holiday season and look forward to ringing in the New Year. ■

**Mayor Devra Keenan**  
**Deputy Mayor Neena Singh**  
**Marvin Schuldiner**  
**Vincent Barragan**
